

## BOURGEOIS

Jacques Bourgeois born in 1621 or 1618 arrived in France of Acadie under d'Aubney in 1642, rank of military surgeon, married in 1644 to Jeanne Trahan: daughter of Guillaume Trahan and Francoise Charbonneau.

The census of 1698 has Jacques Bourgeois and his wife living at Beaubassin. Later he was a new inhabiter of Port Royal. He was given land, downstream portion of a river, for his service to governor d'Aubney.

In the census he is often appointed under the name of Jacob Bourgeois. He stayed lieutenant of Port Royal at the time of the surrender of that place, the 16th of August 1654.

In 1672, he founded the settlement of Bourgeois, well-known more later under the name of Beaubassin, by the Bay or Gulf of Chignectou.
